Mark R. Zilis : The Hosta Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hosta Handbook:

2 of 2 people found the following review helpful. Great BookBy meokirkThis is a wonderful book. I also have the "New Encyclopedia of Hostas." There are many hostas in this book that are not in the Encyclopedia, and this book is easier to take with you when shopping for hostas. I would recommend this for any hosta lover.1 of 1 people found the following review helpful. Four StarsBy jack BartaExcellent for reference. His new book is better.0 of 0 people found the following review helpful. Five StarsBy LindaliBest book on hosts and the seller did an excellent job. Couldn't be happier.
