**Jerry Baker : The Impatient Gardener's Lawn Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Impatient Gardener's Lawn Book:

0 of 0 people found the following review helpful. Five StarsBy PappaThis was a gfit and she uses the informtion often.1 of 1 people found the following review helpful. REALLY WORKS!By DebbieMy dad shared his books with us while on vacation. After looking thru some of the recipes, my husband, who was not convinced they would work asked me to order him one. I did and he swears they work like a charm. His lawn is thicker and greener than ever before. And he has always been one to pamper his yard.0 of 0 people found the following review helpful. Great step by step informationBy Kathleen MontaldoGreat step by step information .Easy reading that keeps your interest and the home remedies are the extra bonus!

Jerry Baker puts his expert reputation on the line, and on your lawn, to give you the kind of yard you've always

dreamed of. Here is a complete step-by-step guide that will save you time, money, and effort, and give you a thicker, healthier lawn. Inside you will find: a state-by-state guide to the best kind of grass and lawn care for your location and climate; how to feed your lawn for the greenest healthiest growth; the right way to weed; how to protect your lawn, plus answers to the most frequently asked lawn care questions, and so much more.

From the Inside Flap Jerry Baker puts his expert reputation on the line, and on your lawn, to give you the kind of yard you've always dreamed of. Here is a complete step-by-step guide that will save you time, money, and effort, and give you a thicker, healthier lawn. Inside you will find: a state-by-state guide to the best kind of grass and lawn care for your location and climate; how to feed your lawn for the greenest healthiest growth; the right way to weed; how to protect your lawn, plus answers to the most frequently asked lawn care questions, and so much more. About the Author Jerry Baker was a top authority on plant care. His plant and gardening books include the bestsellers *Plants Are Like People* and *The Impatient Gardener*. He also had a nationally syndicated and widely successful radio show, *On the Garden Line*. He died in 2017.
