Walter Reeves, Felder Rushing : The Kentucky Fruit and Vegetable Book (Southern Fruit and Vegetable Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Kentucky Fruit and Vegetable Book (Southern Fruit and Vegetable Books):

0 of 0 people found the following review helpful. My new green thumbBy rustyfiddlerThis book has been extremely helpful regarding the specific needs for fertilization and watering in the specific growing zone I now live in in Kentucky. It could be more basic for total neophytes like myself but I'm sure for the average gardener it is an easy read and will fill in the expected information for anyone new to the various regions in Kentucky.

Gardening is now the favorite leisure pastime in America. Homeowners are realizing the benefits derived from gardening, namely enjoyment, exercise, and nutrition. Book retailers are well aware that the trend in gardening books is to regional titles that provide credible information on the plants that perform well in specific regions. "The Kentucky Fruit Vegetable Book" is written by the highly popular gardening experts Walter Reeves and Felder Rushing. Contains advice for plant fruits, vegetables, and herbs. With 60 featured plants, the authors provide characteristics of available varieties, planting and maintenance advice, as well as recipes for dishes from the garden.

About the AuthorRushing is a 10th generation Southern gardener. He is a leading Extension Service consumer horticulturist in Mississippi and has two degrees from Mississippi State University and the Louisiana State University Landscape School of the South. He coordinates Master Gardeners in the state's capitol.
