My husband and I have visited the wilder homestead, very educational. Highly recommend!!!!1 of 1 people found the following review helpful. Nice giftBy jus-ax-mamaMy granddaughter is a fan of the Little House books and the TV snow. She also enjoys cooking, so this made a nice gift. I do however wish it was available in spiral form.1 of 1 people found the following review helpful. Great gift item for any Little House on the Prairie loverBy Kat ValentineI purchased this as a gift for my sister and it was a huge hit. Some of the recipes are very time consuming and complex because they are truly written out to be made as they would have been during the

time Laura and her family lived on the prairie.
