Nice giftBy jus-ax-mamaMy granddaughter is a fan of the Little House books and the TV snow. She also enjoys cooking, so this made a nice gift. Great gift item for any Little House on the Prairie loverBy Kat ValentineI purchased this as a gift for my sister and it was a huge hit. Some of the recipes are

very time consuming and complex because they are truly written out to be made as they would have been during the time Laura and her family lived on the prairie.
