Nancy L. Mohr : The Log Home: Classic Log Cabins Of North America before purchasing it in order to gage whether or not it would be worth my time, and all praised The Log Home: Classic Log Cabins Of North America:

Eloquent in their simplicity and architectural strength, log cabins have long been associated with traditional American virtues of self-reliance, independence, and ingenuity. This ode to an early rural form of architecture is highlighted by full-color photographs, with a focus on the history and evolution of log cabins across America. An eloquent visual celebration of these iconic structures, this beautiful book explores regional and ethnic variations in design. Nancy

Mohr lives in a converted barn in Unionville, Pennsylvania. Her work has appeared in Smithsonian, Ladies Home Journal, House Beautiful, Town Country, Art and Antiques, and other publications.
