Annie Martin : The Magical World of Moss Gardening before purchasing it in order to gage whether or not it would be worth my time, and all praised The Magical World of Moss Gardening:

This is a fascinating books for anyone wanting to truly broaden the range of plants they grow. Gardens Illustrated Moss is an extraordinary plantit grows without roots, flowers, or stems. Despite being overlooked, in many ways, moss is perfect: it provides year-round color, excels in difficult climates, prevents soil erosion, and resists pests and disease. In The Magical World of Moss Gardening, bryophyte expert Annie Martin reveals how moss can be used in stunning, eco-friendly spaces. The beautifully illustrated guide includes basics on designing and planting a moss garden, as an inspiring tour of the most magical public and private moss gardens throughout the country.
