She said that the older gardening books give very valuable, proven information that do you not find in modern gardening books. Sometimes older is better!0 of 0 people found the following review helpful. goodBy jerseyboythe product is good service is also good.iiiiiiiiiiiiii

Comprehensive guide to everything you need to know about the garden from the American botanist, horticulturist, author and co-founder of the American Society for Horticultural Science. Contains detailed illustrations and black and white photographs.
