Verna Cook Shipway, Warren Shipway : The Mexican House Old and New before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mexican House Old and New:

0 of 0 people found the following review helpful. Five StarsBy Renee K.LOVely photos and even though they are in black and white, they show everything needed to give one ideas.0 of 0 people found the following review helpful. Not a single good idea offeredBy Sterling HoldenWorthless. Not a single good idea offered.

A helpful and vivid exploration of this popular architectural style.

About the AuthorVerna Cook Shipway and Warren Shipway spent years documenting the details of Mexican architecture and decoration. They traced the influences of the indigenous inhabitants, the Moorish and Baroque admixtures of the Conquistadors, and the native genius of Mexican architects and craftspeople, and they documented the results of their travels and observations in a wonderful series of books on Mexican architecture and design.
