Thomas Rivers : The miniature fruit garden; or, The culture of pyramidal and bush fruit trees; with instructions for root-pruning, c before purchasing it in order to gage whether or not it would be worth my time, and all praised The miniature fruit garden; or, The culture of pyramidal and bush fruit trees; with instructions for root-pruning, c:

0 of 0 people found the following review helpful. Avoid this so called "book".By DJRIncoherent junk. Don't buy. It's a cheap and incomplete scan. Totally worthless.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
