Ian Pollard, Barbara Pollard : The Naked Gardeners before purchasing it in order to gage whether or not it would be worth my time, and all praised The Naked Gardeners:

3 of 5 people found the following review helpful. QuestionBy Ilene SternbergDestined to be a best seller for sure. But where do they keep their trowels?

The story of the creation of an extraordinary garden that has been painstakingly and lovingly brought to life over the past ten years by the Pollards, who prefer to garden au natural. It will appeal to both experienced and aspiring gardeners everywhere.

"The WOW! factor is here in abundance." Alan Titchmarsh
