Heather Ross : The Natural Eclectic: A Design Aesthetic Inspired by Nature before purchasing it in order to gage whether or not it would be worth my time, and all praised The Natural Eclectic: A Design Aesthetic Inspired by Nature:

0 of 0 people found the following review helpful. A great gift for my wife!By Dollarwise DadI gave this book to my wife for her birthday and she LOVES it! She has taken many ideas from it already, and, even more, the book has shaped a new decorating approach for her. She has read it and consulted it many times, where other books and magazines have been a one and done type of thing.0 of 0 people found the following review helpful. Five StarsBy KCSSThis is a gorgeous book. I purchased it as a gift and ended up buying one for myself.0 of 0 people found the following review helpful. Three StarsBy C. MillerNot at all what I expected. Lovely book but not practical ...

The Natural Eclectic offers a glimpse into the inspiring world of West-Coast artist, photographer and stylist Heather Ross. Through her stunning images and philosophical musings on beauty, nature and design, Heather shows how to bring a nature-inspired aesthetic to life. With the same artists touch she brings to her eclectic boutique, she shares professional tips on creating engaging displays and vignettes through the art of placement. Known for her serene color

palette described as where the sea meets the shore, Heather sheds light on the subtle use of color. Readers who want to style their own natural eclectic spaces can glean from Heather's creative approach to foraging for new, old and found treasures.

"Beachcombers and collectors, rejoice! The Natural Eclectic, by artist, collector, and stylist, Heather Ross, is your new go-to guide for incorporating seaside and flea-market finds in your home." *Martha Stewart Living Magazine* "In her new book, *The Natural Eclectic*, West Coast artist Heather Ross brings a nature-inspired aesthetic into the home with a palette drawn from the sea and a penchant for all things organic." *Chatelaine* "Her first book offers tips for consciously curating natural mementos and styling found objects, turning the old and everyday into something special. With a fine arts background and thriving art practice, she has a take on earthly decor that's subtle and serene." *House and Home Magazine* "It has a very different format and feel to it than most interior design books, in a good way. It feels fresh and unique and almost as if Heather has just poured all her years of inspiration and experience onto the pages without restraint." *91 Magazine* "And that's what Ross wanted to share through her book, to show people that beauty can be powerful and evocative, something you feel on a spiritual level. *The Natural Eclectic* isn't about decorating or styling, or what to do in your next renovation. It's a way of life." *West Coast Homes and Design Magazine*
