An exciting vision of the blossoming new role gardening plays for this generation and the next. In *The New Canadian Garden*, Canada's gardening guru, Mark Cullen, explores new trends that are redefining today's gardening experiences. Many of us are utilizing small urban spaces balconies, patios, and even rooftops and growing our own fruits, vegetables, and herbs, both at home and through community gardens. Mark has lots of suggestions about which crops will work best for your particular space and how to attract birds, bees, and butterflies to your garden. And he combines the best practical information with an insightful approach to help improve your gardening skills. *The New Canadian Garden* is a must-have reference for anyone gardening in a Canadian climate.

Mark Cullen tosses his knowledge and passion for gardening, horticulture, people and education together, and comes up with a rich, resourceful, beneficial book for gardeners of all ages and stages. (London Free Press) Reflects the sensibility and conscience of not only new gardeners but older ones too. (Ottawa Citizen) Gardeners of all sorts are sure to find Cullen's latest book chock full of helpful, and just plain interesting, information about all aspects of gardening. (The Lethbridge Herald) About the Author MARK CULLEN is Canada's best-known gardener. His weekly

column appears in the Toronto Star and 25 other newspapers. He enjoys spending time tending his own 10-acre garden in Stouffville, Ontario.
