Regina Cole : The New Flooring Idea Book: Creating Style from the Ground Up before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Flooring Idea Book: Creating Style from the Ground Up:

The right floor treatment can drastically improve the look and feel of a room. The New Flooring Idea Book will show readers the often-untapped design potential that well thought-out floor decor can add to a living space. This book offers practical advice on how to assess existing flooring, how to plan for change, and how to use flooring to create stylish interiors. Twenty-five floor makeovers are profiled with information on the best new flooring concepts. Each section provides in-depth information and inspiration on types of flooring, choosing flooring with style in mind, and reinvigorating, replacing, or adding pattern and color to existing flooring. By considering the floor as part of the

overall decorating scheme, readers will understand that the right floor is a key element that can set the tone and atmosphere for the entire space.

About the Author Regina Cole is the senior editor at Old House Interiors, where she writes frequently on restorations, remodeling projects, and the latest innovations in interior design. She lives on Cape Ann in Massachusetts.
