**D.G. Hessayon : The New Lawn Expert** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Lawn Expert:

0 of 0 people found the following review helpful. not that greatBy Kindle CustomerNot the greatest. Does have a few good points but if you are anything other than a home owner who just decided to investing time and resources in your lawn you won't get too much out of it.0 of 0 people found the following review helpful. Mostly know infoBy Edward PaoloMost of the information I already knewMight be good for younger beginners .Photo illustrations are OKBooklet is a nice size to keep for reference .0 of 0 people found the following review helpful. Want to grow your own high quality grass?By DaviloThis is a highly informative and well organized book that covers in detail all aspects of how to grow and maintain a healthy lawn.

The world's best-selling book on lawns. Home owners want a first-rate lawn, but there is no uniform yard for every

situation. In this jam-packed and revised edition, learn how to look at your lawn and recognize its type; maintain excellent care, mowing, feeding, watering, trimming, raking, brushing, aerating, and much more; and diagnose and cure lawn troubles. The lawn care program and calendar continue to be reader favorites. Discover interesting facts and figures, history, tips on compost making, and care suggestions for non-grass and synthetic lawns.

"Invest in The Lawn Expert by Dr D G Hessayon - it will tell you everything you need to know!" Your Garden  
"Packed with information and all the practical help you could need in one inexpensive book" -- Rachel de Thame  
Daily Telegraph "Another must for all gardeners" Good Housekeeping "Lavishly illustrated in colour throughout, it covers every aspect of lawn making and subsequent lawn care and maintenance" The Times "Will help guide you through the trauma" Daily Telegraph  
About the Author  
Dr Hessayon's best-selling guides have had an unparalleled influence on gardening over the past 50 years. There are over 52 million copies in print. In 1999 he received a Guinness World Record Award as 'Britain's best-selling living author of the 1990s'. In 2012 he was included in the Daily Mail list of '60 truly great Elizabethans' for 'teaching millions of us how to garden'.
