Great historical reference!By ShezzThis book gave a good overview of the history of neon as well as examples of signs in various parts of the country. I am an artist/wood worker and I use it for reference work with sign making as well as paintings.0 of 0 people found the following review helpful. Five StarsBy Darlene LivengoodWe were very pleased with our purchase. Would buy from this dealer again.

Discusses the history of neon lights, explains how they are designed and created, and looks at their use in sculpture, architectural decoration, and signs
