Alan Bridgewater, Gill Bridgewater : The No-Dig Garden Specialist: The Essential Guide to Growing Vegetables, Salads and Soft Fruit in Raised No-Dig Beds before purchasing it in order to gage whether or not it would be worth my time, and all praised The No-Dig Garden Specialist: The Essential Guide to Growing Vegetables, Salads and Soft Fruit in Raised No-Dig Beds:

5 of 7 people found the following review helpful. Shallow and repetitiveBy AndreI ordered this book full of hopes for new projects and ways to save energy and become greener but this book only scratch the surface of renewable energy.This book is very repetitive, even annoying at some points. Its possible to say that 2/3 of the book is made of repetitions and the information one can get from it wont be enough to start any project whatsoever.If you are looking

for a guideline book, this wont be your best choice.0 of 1 people found the following review helpful. attractive bookBy SarahThis book is attractive and well organized. We enjoyed looking through all of the possibilities for our garden and look forward to putting it's advice into action.0 of 1 people found the following review helpful. For beginnersBy Eric the GreySimple overview with lots of pictures.

For those without the time or stamina to spend hours maintaining a garden, well-known experts Alan and Gill Bridgewater offer an easy-care method with minimal digging and weeding. They show how to make raised beds, build up soil with mushroom compost, cover weeds with mulch, and protect plants with nets and plastic--all using organic methods whenever possible. A must for every gardener.

About the AuthorAlan and Gill Bridgewater have gained an international reputation as producers of gardening and DIY books on a range of subjects, including ponds and patios, stone and brickwork, decks and decking, and garden design. They have written a wide range of highly successful books and contributed to several international magazines. They live in Rye, East Sussex.
