Publisher Marketing: The New York City rental market Exposed! The closely guarded secrets and insider information

previously known only to real estate professionals and native New Yorkers is now available to YOU. The Nouveau Native's No Fee New York With Pets 2006: The Completely Unauthorized Guide To Pet Friendly No Broker Fee Rentals In New York City is an annual guide designed to give renters with dogs or cats an accurate, unbiased, and easy to understand primer of the rental process. The book lists nearly one hundred, pet friendly, private Landlords and management companies that collectively represent thousands of apartments in New York City. Properties represented in The Nouveau Native's No Fee New York With Pets 2006 span the financial spectrum from bargain basement and rent stable units all the way to ultra-luxury rentals. However, most profiled management companies and Landlords represent properties that fall within the median range. This invaluable reference book also provides contact information for each Landlord or Management Company as well as complete details about the properties, costs, financial and credit requirements, viewing procedures, maintenance ratings, pet requirements, and amenities available. Perhaps most importantly, the book gives guidance as to how to rent any of the properties listed without a broker's fee.
