C. Houston Price : The Official Price Guide to Collector Knives, 14th edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official Price Guide to Collector Knives, 14th edition:

0 of 0 people found the following review helpful. Good reference book.By JDRangerThis is probably a good book for the serious long-time knife collectors.It's really a reference book. It's not something you can sit down and read for recreation.1 of 1 people found the following review helpful. More pocket knife maniaBy Robert S. HendersonI wanted

a book to help me identify a bunch of pocket knives I had acquired and what they might be worth. This book helped me do that quite easily and I would recommend it to anyone with similar goals. "The standard knife collectors guide" by Ritchie and Stewart was also of equal value. I would have liked to have seen more color photos and fewer poorer quality pictures but the process was good enough to do what I needed. This book made it easier to discern differences among similar knives because of the detail that was included in knife types. 0 of 0 people found the following review helpful. What about fixed blades?? By Michael R. Dickie Good for pocketknives but almost worthless for fixed blades Did I miss something in the description??

THE ULTIMATE KNIFE COLLECTOR'S GUIDE! Knives have played an indispensable role in our lives for thousands of years. From their humble beginnings as simple tools and weapons to times when they were symbols of rank and success, knives have been crafted for function as well as for show. Collecting these items has become not only a serious hobby but also a profitable business. Whether you are just starting a collection or you are already an experienced collector, this book will offer everything you need to know about building your collection and becoming an informed buyer and seller. **COMPLETE:** With updated price information for over 13,000 listings, this essential sourcebook offers reliable information on knives from all major manufacturers including Remington, Case, Winchester, and more **DIFFERENT CATEGORIES:** From wooden-handled military knives to silver folding fruit knives to old-fashioned pocket knives, this book covers over 1,500 models of collectible knives **EXPERT ADVICE:** C. Houston Price is the former publisher and editor of Knife World Magazine since 1979. He is also a lifetime member of the Cultery Hall of Fame **VALUABLE INFORMATION:** Knife nomenclature, how to spot fakes, factors affecting value, and knife brands of the world **RESOURCES:** Collector Clubs and Recommended Reading
