My mom, mother-in-law and me love the different colored numbers and we like the photos too. But my sister-in-law thoroughly enjoys the photos of the porches and the information about them. The paper is top quality and the squares are nice and roomy to write on 0 of 0 people found the following review helpful. Half the price of similar ones that don't even come close in my opinion By PT112I buy this calendar almost every year. Always beautiful pictures, a nice, bright, and colorful layout. I also like the generous size. It's doesn't hurt my feelings at all that it is often half the price of similar ones that don't even come close in my opinion. I also love that there isn't a snow scene every year. Unfortunately, there is one in 2018 but there wasn't in 2017 and I like that they don't feel that they have to do it every year. The last thing I personally want to see in the middle of a miserable winter is a snow scene. Some people like winter. I don't know what's wrong with them. ;-) 0 of 0 people found the following review helpful. you will enjoy five stars worth By C. J. Hulbert I've been purchasing Workman's Out on the Porch Calendar since they first started producing them several years ago. I send to several friends who have started to remind me if I'm late. The photos are lovely, different each month, the calendar squares are large enough to write an

appointment or two. If you sitting on a porch, whether at the ocean, in the woods, or in a country backyard, you will enjoy five stars worth. There are other Porch calendar copy-cats but stick with the Workman original. The other ones do not compare.

Celebrate the good life with a dozen gorgeous porches, porticos, and verandas from around the world. A sun-dappled stone patio overlooking the Mediterranean coast. A gracious wraparound porch in Maine surrounded by lilies and the sea. A simple terrace in a Provenal garden. Each sumptuous, full-color photograph enhanced by a transporting porch quote from literature is just the invitation you need to put up your feet and enjoy the tranquility.
