**Susan Berry : The Painted Bedroom and Bathroom: Ideas and Inspirations for the Creative Home Decorator** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Painted Bedroom and Bathroom: Ideas and Inspirations for the Creative Home Decorator:

A practical guide to atmospheric painted room treatments for bedrooms and bathrooms, complete with a substantial section of specially photographed paint finishes, motifs and effects, carefully prepared for the non-professional. The book includes a wide range of styles, and gives hints and tips on detailing and accessorizing for maximum effect. Step-by-step instructions are provided. Susan Berry has also written "Decorating with Paint and Paper", co-authored "Designing with Colour" and contributed to several books on textiles, including "Fabric Magic" and "Textile Classics".

From BooklistBoring bedrooms and bathrooms will be a thing of the past if Berry's guide is used to generate innovative ideas. This fully illustrated manual contains color photographs of a wide range of interiors representing decorating styles of all sorts. It also offers step-by-step instructions for applying paint to walls, ceilings, furniture, and even surfaces such as antique cast iron bathtubs, all in a myriad of painting techniques. Faithful study of Berry's advice coupled with initiative and ambition should yield the wherewithal to create spectacular effects in room decor. Featured

are contemporary examples of outrageously vibrant patterned walls and fixtures that are clearly not for the faint of heart. More serene options are manifested in misty, romantic colors and soft, matte surfaces. Alice Joyce
