Catherine Seiberling Pond : The Pantry: Its History and Modern Uses before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Pantry: Its History and Modern Uses:

0 of 0 people found the following review helpful. The history of kitchens By JMG Millarville, Alberta The allure of the traditional pantry and farmhouse kitchen, captured in wonderful photographs. A feast for the eyes and the soul. An examination of our fascination with pantries, their history, and a detailed look at how to recreate their magic in the SOULLESS modern house. For everyone who loves Hoosier cabinets. 1 of 1 people found the following review helpful. Interesting and useful By Siwanoy This is one of the few sources of useful information about pantry uses and styles through the years. We used it for ideas in renovating our Victorian era walk-in pantry. One modern idea I would add is that if you have a window in your pantry and decide to put in the study and time to make your pantry truly useful and beautiful as guided by this book, put glass panels in your inside door to enjoy the additional light and see the fruits of your labor! 0 of 1 people found the following review helpful. Great Sale and fast Shipper John 3 By Jeff Great Sale and fast Shipper John 3:16-17 (KJV) For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved. Pray to be forgiven of your sins today.

The Pantry Its History and Modern Uses Catherine Seiberling Pond Photographs by Steve Gross and Sue Daley The Pantry ponders the history, return and rebirth of the kitchen pantry. With a nod toward the philosophy "a place for

everything and everything in its place," author and historian Catherine Seiberling Pond delves into the past, present, and future possibilities of this important room, and finds ways to incorporate a pantry into any home. Topics include: Food storage solutions What to put in your pantry How to choose the right materials Design and layout of the pantry Display and decor tips How to display dishes and collections Pantries are one of the most requested features being built into today's homes.

About the Author Catherine Seiberling Pond is an architectural historian, writer and former house museum manager. She has contributed to Old-House Interiors, New England Home and Victoria, among other magazines, and maintains a blog on domestic life at inthepantry.blogspot.com. She lives in Hancock, New Hampshire. Steve Gross and Sue Daley are photographers based in Manhattan.
