David Armentrout Armentrout : The Pliers (Learning about Tools) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Pliers (Learning about Tools):

0 of 0 people found the following review helpful. GREAT ILLUSTRATIONS, BUT THE STORY IS NOT THE GREATEST By INXSSCOTT@aol.com This book is not for the very young. The illustrations are excellent, but the text leaves a lot to be desired...definitely more suited for the 5-8 age group.
