R. Dodge Woodson : The Plumber's Troubleshooting Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Plumber's Troubleshooting Guide:

0 of 0 people found the following review helpful. Very helpful for someone learning the trade,By MattmeilVery helpful for someone learning the trade, the information is given in a tone unlike a text book so it's entertaining to read0 of 0 people found the following review helpful. Great HelpBy Jeffrey A. HarrellThis is an invaluable tool that I use to study my trade. It is something that will be in my truck and in my office for years to come.0 of 1 people found the

following review helpful. Gotta have By Twain Mark I am a property manager that has got many useful bits of help from this book. Everyone should have one.

Plumbing Troubleshooting Techniques That Save Time and Money. Say goodbye to time-consuming trial and error methods, extra work, and unnecessary fixture replacements. In *The Plumber's Troubleshooting Guide* Master Plumber R. Dodge Woodson show you how to develop finely-tuned troubleshooting skills for all types of residential and commercial plumbing fixtures and systems. In a clear, easy-to-understand style, he advises you on how to go beyond normal causes to uncover often overlooked reasons for problems and malfunctions in: toilets and urinals; sinks; bathtubs; faucets and valves; spas and whirlpools; water distribution systems; draining and vent systems; specialty fixtures; well and water treatment systems; septic systems; waste-water pumps; appliances.

``Shows how to save time, energy, and money when servicing residential or commercial plumbing systems and fixtures." (Circle 351 on Reader Service Card 1994-10-01)`` Both novice and experienced plumbers will find a wealth of solutions to everyday--and uncommon--plumbing problems." (Ned, Mark New Equipment Digest 1994-10-01)`` Covers proper practices and procedures of residential, commercial, and industrial plumbing for apprentice plumbers, do-it-yourself homeowners, and even veteran plumbers." (Ned, Mark New Equipment Digest 1994-09-01)`` Includes numerous photographs, line drawings, and charts to illustrate the easiest, most effective ways to troubleshoot a wide range of plumbing problems." (Dixie Contractor 1994-08-22) About the Author R. Dodge Woodson (Fort Fairfield, ME) has over 20 years' experience as a home builder, contractor, master plumber, and real estate broker. He is the author of many McGraw-Hill books, including *Be A Successful Building Contractor 2/e*, and *National Plumbing Codes Handbook 2/e*.
