R. Dodge Woodson : The Plumbing Apprentice Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Plumbing Apprentice Handbook:

0 of 0 people found the following review helpful. Great BookBy StereonutExcellent book for my stepson trying to get into the plumbing trade. He loved it.

A complete plumbing training program--in one go-anywhere guide. Now you can train new plumbers faster and easier--without tying up hours of time on the job. All you need is the comprehensive new Plumbing Apprentice Handbook from Master Plumber R. Dodge Woodson. Packed with step-by-step instructions written in a user-friendly style, this invaluable tool will walk beginners through all the proper practices and procedures of professional plumbing. You'll find expert guidance on: understanding plumbing codes; developing troubleshooting skills; working safely; understanding all types of drainage, vent and water distribution systems; mastering the principles of water conditioning and well-systems; installing water service and sewers; learning the fundamentals of septic systems; testing different systems; handling all types of residential, commercial and institutional work; using all types of tools; what to expect from actual field conditions; and much more.

About the AuthorR. Dodge Woodson (Fort Fairfield, ME) has over 20 years' experience as a home builder, contractor, master plumber, and real estate broker. He is the author of many McGraw-Hill books, including Be A Successful Building Contractor 2/e, and National Plumbing Codes Handbook 2/e.
