Shirley Lanigan : The Pocket Guide to the 100 Best Gardens in Ireland before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pocket Guide to the 100 Best Gardens in Ireland:

The Pocket Guide to the 100 Best Gardens in Ireland takes readers on an informative, interesting and pictorial tour of some of Irelands most spectacular gardens. Written by journalist Shirley Lanigan, it explores the gardens histories, design, flora and fauna, and also includes interviews with owners, curators and gardeners. In addition, it acts as a practical guide, providing information on fees, opening hours, etc, and being pocket sized it is the ideal companion

while traveling across Ireland to visit these remarkable horticultural sights. Building on Shirley Lanigans previous book on Irish gardens, which was hailed as probably the most comprehensive guide to Irish gardens, North and South, published to date, The Pocket Guide to the 100 Best Gardens in Ireland is for anyone who can appreciate the very best of Irish gardens, from the truly magnificent and celebrated to the never-before-seen secret gardens. Updated and lavishly illustrated, this informative, interesting, and pictorial tour of Ireland's most spectacular gardens explores the history, design, flora, and fauna of the gardens, and also features practical information on admission and opening hours.

If you take along this invaluable guidebook, visitors to Ireland may look forward to a fabulous tour of some of the most spectacular as well as intimate gardens that this green isle has to offer. --Current Books on Gardening and Botany
About the Author SHIRLEY LANIGAN has worked as both a journalist and gallery curator, and currently writes for The Irish Garden amongst others. Shirley lives in Kilkenny with her family and is a keen gardener.
