Joan Clifton, Jenny Hendy : The Practical Step-By-Step Guide To Patio, Terrace, Backyard Courtyard Gardening: An Inspiring Sourcebook Of Classic And Contemporary Garden ... Outdoor Spaces Of Every Shape And Size before purchasing it in order to gage whether or not it would be worth my time, and all praised The Practical Step-By-Step Guide To Patio, Terrace, Backyard Courtyard Gardening: An Inspiring Sourcebook Of Classic And Contemporary Garden ... Outdoor Spaces Of Every Shape And Size:

1 of 1 people found the following review helpful. Too Much Crafty StuffBy GramFall4I was expecting a book giving

ideas for patios, terraces and courtyards. What I received is a book with a lot of crafty junk (making an amateur-looking mosaic table for example), and ridiculous, obvious stuff (like putting a tree in a pot). There were no directions at all for the stuff that was actually interesting. Like the willow raised bed planters or woven twig screens - which I have never seen for sale here in the US, so those may be available abroad, but not here. Very disappointed.

How to plan, design and plant up beautiful and easy-to-maintain enclosed garden spaces, including over 60 construction and planting projects and case studies, a comprehensive directory of plants and over 850 photographs

About the AuthorJoan Clifton is a professional horticulturalist whose career has encompassed the worlds of fashion, architecture and stage design. Her work has appeared in a number of publications, and she operates a garden design and consultancy business from her home in south-west France. Jenny Hendy is an award-winning author who has written over 20 gardening books on subjects ranging from topiary to wildlife gardening. She is a radio broadcaster and lecturer with a thriving garden design consultancy.
