**John Juranitch : The Razor Edge Book of Sharpening** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Razor Edge Book of Sharpening:

Universally recognized as "The Bible of The Cutting Edge", this book belongs in the library of anyone who is serious about sharpening. Written by Guinness world record holder John Juranitch, it contains all the knowledge and insights gained during his more than 40 years in the sharpening industry. The 145 page book is crammed with photos, illustrations and cutting edge secrets you won't find anywhere else. Its 14 chapters cover topics like how to choose a knife, sharpening theories nad applicaitons, steeling, using a hone and much, much more. You'll get answers to the most asked questions. You'll learn the truth about common myths like why you should never use oil on a hone. And you'll get the insights necessary to put a great edge on knives, axes, fish hooks, arrowheads, chain saws and other tools. It's a history, a handbook, a reference manual that is the simplest, most complete way to give yourself a razor

edge on sharpening.
