Five StarsBy MacKellycute book!0 of 0 people found the following review helpful. great giftBy slayerofsmurfsi was suprised at how pretty this book was. and it wad much more informative than i expected. i plan on buying more to give as gifts.0 of 0 people found the following review helpful. The Scottish Heather BookBy Lester G. MilroyVery nice little book. An easy and enjoyable read. It may be a small

book, but it is in my pocket and with me often. I recommend it to all.

The purple glow of heather-clad hillsides in summertime is one of Scotlands best-known and most beautiful sights. This delightful treatise on the flower follows Scottish heather on a journey through its colorful history as an integral part of Scottish heritage, its deeply entrenched place in poetry and song, its significant role in the economy of the country, and its transformation from hillside beauty into a symbol of national pride and identity.

About the Author Brian Osborne is the author of *Cradle of the Scots*, *Scottish Dates*, and *Discovering Scottish Writers*.
