0 of 0 people found the following review helpful. Lessons learned.By Jim FrommI have spent countless hours researching the culture and care of grapes, especially scuppermongs. I learned more from this 100 year old short work, than I have laboring over a computer for weeks. This is a compilation of practical common sense instructions, which will increase your yield and gardening enjoyment.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
