Karen Powell : The Styleprint Design System: Created By Decor You Design Group before purchasing it in order to gage whether or not it would be worth my time, and all praised The Styleprint Design System: Created By Decor You Design Group:

0 of 0 people found the following review helpful. Very Helpful GuideBy Allison LooneyIf it's time to redecorate or renovate your home, but you're not sure where to begin, read this book! Author Karen Powell details a clear step-by-

step process to help you successfully tackle your next home project and understand how to make important decisions along the way. From budget planning to picking the right furniture for your lifestyle - this book covers it all.

There are so many reasons to update your living space. The exciting, creative process can quickly get out of hand if you are not ready for it. The Styleprint Design System simplifies everything and helps you each step of the way. The Styleprint brings your unique design preferences to life by evaluating your space, identifying what exactly is not working for you, and then setting goals to improve it. With the help of the DecorYou Styleprint Design system, you can create the living space of your dreams.

About the Author Karen Powell earned her MS in business education from Central Connecticut State University, but her true education has come over the last two decades solving design challenges for her clients. As founder and CEO of DecorYou, Karen has coached and led dozens of DecorDesigners all over the country to make it simple and stress-free for clients to enjoy every minute in their space. Karen's work has earned her company praise as one of Entrepreneur magazine's Top 500 Franchises for three consecutive years.
