**Susan Branch : The Summer Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Summer Book:

29 of 29 people found the following review helpful. it can be summer everyday! By D. Bolar My absolute favorite cookbook! I bought this a few years ago and my copy is dog-eared and splashed from so much use in the kitchen! Our favorite recipe is the roasted vegetables...so easy and healthy. And, when you get the winter blahs...just take out your copy of this book and your heart will be warmed and you'll look forward to summer with all of Susan Branch's illustrations; wonderful ideas for your home and life; and the recipes. It makes you want to take a trip to Martha's Vineyard. A must have...a great gift! 1 of 1 people found the following review helpful. Branch is the best and the purchase went very well. By Loves Books and Music As always Susan Branch creates beautiful books. The vendor ensured it arrived promptly and in good condition. Thanks. 0 of 0 people found the following review helpful. Susan Branch Summer Book By Deb717 I love this book, as I love anything from Susan Branch. It just makes you happy when you read through it and try the recipes.

This cookery book celebrates summer food, focusing on picnics, parties, holidays, barbecues. It contains more than 100 recipes, from barbecued bourbon chicken to beach crab cakes and blueberry bread pudding. It also includes gardening advice, how to cook with herbs and how to remedy bee stings.
