**David A. Howard, Eliezer Flores : The Survival Chemist (#C-562)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Survival Chemist (#C-562):

0 of 0 people found the following review helpful. good jobBy Joseph G. Woodgot what i paid for , but it works better than i though it would , good job guys ill buy again0 of 0 people found the following review helpful. aint't worth it!!By Thomas M.This is a thin book -- with big print. Very little information. I was sorely disappointed0 of 0 people found

the following review helpful. Three StarsBy Robert Cooperok

The survival chemist brings survivalists important information on building and maintaining shelters, leather preservation, the making of explosives such as Dynamite, blasting and percussion powders, gunpowder, nitroglycerin and fuses. Other chapters cover water purification, survival foods, meat preservation, brewing your own beer and liquor, making poison gas, protecting against radiation, the use of drugs, and precious metals testing. 5.5 x 8.5, 59 pages, illus., softcover.
