Greg Natale : The Tailored Interior before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tailored Interior:

Multi award-winning architect and interior designer Greg Natale does things differently. His bold signature style juxtaposes clean lines with repeating geometric patterns, unadorned walls with highly embellished feature pieces, and empty space with vivid splashes of color. At once contemporary and vintage, restrained and flamboyant, sophisticated and playful, Greg's spectacular interiors integrate architecture, design and decoration to create visually breathtaking masterpieces. In this stunning photographic collection, Greg guides you through building a concept, layering different elements for cohesion, embracing empty space, and using color and pattern to add the finishing touches. Filled with practical advice and paired with beautiful photography from Anson Smart and a foreword from Jonathan Adler, The

Tailored Interior will provide all the inspiration you need to transform your living spaces into works of art.
