This book turned what I thought I knew upside down. There are so many great tips and ideas in this book that I won't go back to the way

I was growing tomatoes again. This book is a must for the serious Texas tomato growers, you'll be glad you got this book.0 of 0 people found the following review helpful. Short and sweet but everything I need to get started growing tomatoes.By CI don't know anything about tomatoes or how I would even begin to garden them, but this book - despite not going into depth about everything- makes a good guide for a beginner like me. I live in Texas and the one time I tried planting tomatoes it wasn't successful. This book has me excited to try again!

A garden-grown tomato, sliced and laid across a grilled hamburger . . . Sweet, plump cherry tomatoes in a crisp, green salad . . . Sauce made from fresh tomatoes, ladled over a steaming bowl of pasta . . . Spicy tomato salsa . . . Savory tomato soup . . .
