If you love frozen drinks (and who doesn't) this is the book for you. It is hard covered and includes a colored picture of every drink. The book is broken down into seven sections ex Rum Based, Vodka Based, Liqueur Based, Brandy, Whiskey Gin based, Tequila Based, Schnapps Based and Mocktails Smoothies-over 315 pages worth! A MUST if you entertain or enjoy a special drink at home. I can't believe I snatched this book up for under \$15-definitely worth way more than that. Shipping was faster and product was in perfect condition-would give this book and the seller more stars if I only could...0 of 0 people found the following review helpful.
