Great Ideas book By Customer It has helped me to find solutions to my garage storage and layout. recommended for anyone with a garage which needs sorting out 13 of 14 people found the following review helpful. One of the better garage books By Mel D. While not a book about layout or design, there are hundreds of photos of storage products in this book to stimulate your mind about organizing your garage. It's very well

written and the indexed photos are excellent. Having been disappointed by many other so-called garage books, this one was worth the purchase.

For some, it's a refuge. For others, a game room. Whatever your need, *The Ultimate Garage* helps you plan, organize, build, and refurbish to transform your garage into a space that works for you. The book showcases a wide variety of garages that will inspire readers to create space for hobbies, crafts, exercise, play areas, and much more. Details on store-bought and homemade storage solutions, plus recommendations on flooring, heating, and lighting, give you all the information you need. Add a mini-fridge-or full-size freezer-and you're good to go!
