John A Verkitus : The Ultimate Guide to Blue Berry Plants Volume I (Volume 1) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ultimate Guide to Blue Berry Plants Volume I (Volume 1):

This book is for the backyard gardener who wishes to grow Blue Berries, or the person interested in starting his/her

own back yard Blue Berry U-Pick Nusery, like I have, for Under \$500.00! This book is about \$6.00, I WISH I had this book before I started, get the Right information the first time, it will save you untold hours and \$\$\$ Dollars Later, Trust me :) I learned the hard way, get this book and make yourself and your plants happy !!This book gives you all you need to know to successfully plant, and grow blue berries. Many of the Commercial growers secrets for propagation and other areas are enclosed in Volume I, Volume II is going to have even more growing secrets and information as well as info on starting and running a Home/Back Yard Nursery., so don't wait! And Happy Blue Berry Growing !!John A Verkitus Get your copy now and get ready for volume II coming soon!
