Nicole Faires : The Ultimate Guide to Urban Farming: Sustainable Living in Your Home, Community, and Business before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Guide to Urban Farming: Sustainable Living in Your Home, Community, and Business:

How to maximize your food production in an urban environment. The idea of bringing agriculture into the city has

been promoted by many on both sides of the political fence: proponents of sustainability and prevention of climate change as well as those who worry about government and social instability. To address the urgent need for a shift in the way our food is produced, *The Ultimate Guide to Urban Farming* offers a practical education in everything there is to know about city agriculture: how to grow a lot of food in any kind of urban living situation, from apartment to full-scale commercial venture. Subjects covered include: Small scale vs. large scale agriculture The economic, social, health, and environmental impacts of urban farming Making the most of the space available The latest technologies and developments in agriculture, including: hydroponics, vertical gardening, and aquaponics Case studies and design concerns for community-based farming The best plant species for cities and seasons Beekeeping and small animals Commercial agriculture and the business side of farming in a city environment This comprehensive guide will introduce readers to the rewarding possibilities of growing their own food, as well as dispel the falsehood that says we need faraway factory farms to produce everything we eat.

About the Author Nicole Faires grew up on a hobby farm in Montana. She champions homesteading and sustainable living and has written several popular books on these subjects including *The Ultimate Guide to Natural Farming and Sustainable Living* and the bestselling *Ultimate Guide to Homesteading*. She is also the author of *Food Confidential*, a critique of the corporate takeover of food production in America. She lives in Victoria, BC, Canada.
