D. G. Hessayon : The Vegetable Expert (Expert Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Vegetable Expert (Expert Series):

0 of 0 people found the following review helpful. Useful for home gardenersBy B P COLLINSBought as a gift - have used it myself for years0 of 0 people found the following review helpful. My old standbyBy Christine BI originally bought The Vegetable Expert back in 1986 in the UK. I was a real beginner with growing my own vegetables and this book really helped me decipher their wonderful world.I have since bought many gardening books and books on pests and disease and every single time I come back to this book and ALWAYS fin my answer. I don't know what I would do without it. It is my best friend in vegetable gardening.

Cut in half your time and effort tackling garden tasks! Gardeners throughout the world have turned to Dr. D.G. Hessayon for authoritative guidance on everything from planting fruits and vegetables to house plants and flower arranging. His best-selling Expert series, which has sold more than 39 million copies, continues with expert tips on trouble-free gardening.Easy-Care Gardening Expert gives you solutions and shortcuts you never knew existed -- it's like having a professional gardener looking over your shoulder to share with you his years of hard-earned wisdom! Pick shrubs and trees to create a "skeleton" for great shape year-round; discover which herbs are practically worry-free, and where to plant them; or try the hundreds of other amazingly useful and easy-to-follow pieces of advice. Complete with gorgeous full-color photos ad illustrations of healthy blooms and gardens, this isn't just another

gardening guide.
