John Maass : The Victorian Home in America: With Over 250 Illustrations before purchasing it in order to gage whether or not it would be worth my time, and all praised The Victorian Home in America: With Over 250 Illustrations:

1 of 1 people found the following review helpful. Great coffee-table bookBy David ArbogastJohn Maas helped lead the revival of interest in American Victorian architecture during the latter half of the twentieth century. Although a bit dated, this is an excellent example of his work with very fine photography.3 of 3 people found the following review helpful. Great BookBy sharon tuckerThis book is great to just have a cup of coffee and dream as you view the pictures on every page!1 of 1 people found the following review helpful. Five StarsBy sharon smeltzerGood

Fascinating architectural history of Victorian domestic environment (ca. 18401900). Over 250 handsome illustrations

document interiors, exteriors of Queen Anne cottages, romantic stone castles, exquisite Italianate villas, simple brownstones, curious octagon houses, imposing mansard-roofed mansions, and much else. Text provides a wealth of stories about builders and owners.
