John Brookes : The Well-Designed Garden before purchasing it in order to gage whether or not it would be worth my time, and all praised The Well-Designed Garden:

7 of 9 people found the following review helpful. Previously published as "Garden Masterclass" By Scleractinian Other than the somewhat annoying issue with typography (perhaps dozens of omitted spaces between words), an excellent book. Inspiring images, relevant history, notes and sketches on approaches from multiple styles in several case studies. Note that this title was previously published as "Garden Masterclass".

With advice developed during his 40-year career as a master gardener, detailed, vivid photography, and annotated instructional sketches, John Brookes demonstrates how you can transform any garden into a Well-Designed Garden. AUTHOR BIO: One of the most widely regarded and consistently innovative voices in garden design, John Brookes has been writing best-selling garden books since 1969. Most recently, he is the author of Small Gardens.

About the Author John Brookes' books on garden design have been bestsellers ever since his groundbreaking classic *Room Outside* (1969). He's Chairman of the Society of Garden Designers, has made several appearances on BBC's *Gardener's World* and runs the Clock House School of Garden Design in the UK in addition to his world-renowned lecturing and workshop tours. He lives in Denmans, Southern England.
