**Kathleen S. Stoehr, Charles T. Randall : The Window Decorating Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Window Decorating Book:

An exceptional guide to window coverings featuring more than 1000 photographs and illustrations, The Window Decorating Book is both unique and compelling in covering the scope of window products available on the market today. You will be encouraged to explore and consider all of your options, including sections on specifications and fabric quantities, should you wish to do so. The Window Decorating Book not only provides an inspiring visual catalog of ways to use draperies, blinds, shades, and shutters imaginatively, but also delves into the details; providing vital information on the pros and cons of various products, and how to choose fabrics and treatments that create the right atmosphere for any room of the house.
