Jerry Minnich : The Wisconsin Garden Guide: The Complete Guide to Vegetables, Flowers, Herbs, Fruits and Nuts, Lawn and Landscaping, Indoor Gardening before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wisconsin Garden Guide: The Complete Guide to Vegetables, Flowers, Herbs, Fruits and Nuts, Lawn and Landscaping, Indoor Gardening:

0 of 0 people found the following review helpful. Great book By Rose R Red Such an informative book, I'm new to

gardening and this was one of the most comprehensive books I've seen. I made sure to borrow a bunch from my library before deciding which one would be the most helpful to buy. Great information inside/0 of 0 people found the following review helpful. Very useful and understandable.By waltersAn updated version of the original. I like his writing style and common sense approach to gardening. An essential for the Wisconsin gardener.0 of 0 people found the following review helpful. Not what I expectedBy Jim ANot the book was not what I expected or pictured, the book was the old out of date not what shown.

For the past 35 years, thousands of Wisconsin gardeners have relied on the The Wisconsin Garden Guide. Now for the first time in full color, this revised and updated guide should be your one dependable reference to gardening the Badger State. Whether your garden is in a small backyard or on several acres, you will find just what you need to know to be a successful gardener in Wisconsin's challenging climate. Jerry Minnich is the Wisconsin garden expert. With more than forty years of gardening experience, and as the author of countless books and articles on gardening, there is no better source of information.
