**Clara Lederer : Their Paths Are Peace: The Story of Cleveland's Cultural Gardens** before purchasing it in order to gage whether or not it would be worth my time, and all praised Their Paths Are Peace: The Story of Cleveland's Cultural Gardens:

Their Paths Are Peace tells the story of the creation of The Cleveland Cultural Gardens, a unique collection of landscaped, themed gardens each representing a different ethnic group/organization in Cleveland. First published in 1954 (and long out of print) this 60th anniversary edition presents the original content (with minor corrections) in a fresh layout.
