**Marion Williams : Think Like a Plant: Growing Vegetables at Broadfield Court** before purchasing it in order to gage whether or not it would be worth my time, and all praised Think Like a Plant: Growing Vegetables at Broadfield Court:

0 of 0 people found the following review helpful. An outstanding read.By Marlane BrennerThis is a wonderful book all about a walled garden at a large home in England. It is about growing vegetables and the year round cultivation of them. A very inspiring book and it also gives the history of the garden, written by a gardener who has been employed

to work in the garden for over 30 years. Now available in Kindle.
