**Editors of This Old House Magazine : This Old House Easy Upgrades: Bathrooms: Smart Makeovers, Trusted Advice** before purchasing it in order to gauge whether or not it would be worth my time, and all praised This Old House Easy Upgrades: Bathrooms: Smart Makeovers, Trusted Advice:

3 of 3 people found the following review helpful. Great pictures. Not so great on the content. By i8881The pictures of the bathroom are great and there are one or two good suggestions/ideas but overall the book just rehashed advice that is dispensed on HGTV shows (like re-purposing materials and make them work in the bathroom). The bathroom layouts shown in the book are unrealistic to average bathroom sizes (most are enlarged bathrooms by re-appropriating a bedroom). 3 of 3 people found the following review helpful. Ok if you like picture books By Trina Strong I bought this thinking it might have some projects I could try in my own home. What a disappointment to find it's basically a picture book of pretty bathrooms. The pictures are lovely, just no projects or ideas inside. 0 of 0 people found the following review helpful. Five Stars By Patricia Secondigave me pictures I wanted

Get the bath you've always wanted at a price you can afford, with help from the most trusted name in home improvement. What's inside: Before and After Pictures Dozens of real-world remodels offer creative solutions to common bath-design challenges. Layouts That Work Detailed floor plans show how to arrange even the most awkward space for maximum comfort and functionality. All the Right Details Find the materials, fixtures, and accessories to create the look you want, from vintage revivals to contemporary spa-like spaces. Inspiring Photo Galleries More than a hundred photos of finished rooms will help you get started, including his-and-hers baths, kids' baths, family baths, and relaxing retreats. Great Pro Advice This Old House's experts share design tips and great takeaway ideas that you can make your own, no matter the size of your bath or your budget.
