Louise Cutting : Threads Industry Insider Techniques, Vol. 5 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Threads Industry Insider Techniques, Vol. 5:

0 of 0 people found the following review helpful. Five Stars By Hoppy Great price 0 of 0 people found the following review helpful. I love it. By Linda Mayo Thank you for getting this to me so quickly. I love it. 0 of 0 people found the following review helpful. Ththead's Insider Techniques DVD.vol 5 By Monty It was just what I was looking for. I've taken sewing classes and notes but this is so much better because I don't have to be concerned about leaving some important bit of info out of my notes.

No more sewing by trial and error! In *Industry Insider Techniques, Vol. 5*, the renowned sewing instructor Louise Cutting demonstrates expert tips and techniques that can help you advance from amateur to accomplished seamstress. Sew clothes that look and fit like custom-made. Expand your sewing know-how and ramp up your skills with dressmaking lessons straight from industry workrooms. With this step-by-step guide from Louise Cutting, you too, can learn how to: sew details with meticulous attention and finesse make smart pattern alterations that improve fit and drape avoid problems that detract from a well-made garment Topics covered in *Industry Insider Techniques, Vol. 5* include: sewing starts and finishes stitching darts and pin tucks hem finishing a cut-on facing making short sleeves long finished a curved hem adjusting a pants pattern shortening the crotch choosing interfacings attaching cuffs Every video in this series will help you learn to sew like a pro.
