Joseph Truini : Tiling (Stanley) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tiling (Stanley):

0 of 0 people found the following review helpful. Five Stars By mat Hettinger Great product! Timely delivery very satisfied 6 of 6 people found the following review helpful. This book gives me all the information I need. By Ken This book covers everything I want to know about tiling. Even though I've done two bathroom floors, and a tub surround over the past 40 years, I'm about to do a kitchen, from replacing the subflooring, to installing Schluter Ditra membrane, to installing Porcelain 6x36 tiles. The book covers it all. 1 of 1 people found the following review helpful. Thanks By Lisa Miller great guide book

Installing your own tiling may seem daunting for do-it-yourselfers, but with Stanley Tiling: A Homeowners Guide you will be able to finish the job like a professional. All entry-level DIYers can master the techniques with this

comprehensive visual guide that offers authoritative and reliable information to empower homeowners to tackle any tiling project with confidence. And with tiling among the most popular projects undertaken by homeowners, Stanley Tiling: A Homeowners Guide is an essential manual for DIYers. For years, the Stanley company and all of its do-it-yourself guides have been giving homeowners the tools to complete tasks with ease and perfection. In Stanley Tiling: A Homeowners Guide, author Joseph Truini explains how to choose tile, tools, and materials and then gives DIYers step-by-step, illustrated instructions on tiling: kitchen, bathroom and wood-plank floors showers and tub surrounds fireplace walls backsplashes tables mirrors with mosaic glass

About the Author "Fine Homebuilding "publishes only the most authoritative articles on tiling by experts in the field; this book brings together the best of the best. These experienced contributors share the fundamentals, as well as tips and tried-and-true techniques to tile like a pro.
