David Easton : Timeless Elegance: The Houses of David Easton before purchasing it in order to gage whether or not it would be worth my time, and all praised Timeless Elegance: The Houses of David Easton:

11 of 11 people found the following review helpful. This one does not disappoint! By A Book Collector So typical of all David Easton's work, this book is erudite, elegant and thoroughly enjoyable. The text is captivating and gracious as Easton tells the story of each project presented. Most of the photos are previously unpublished and are stellar. I greatly appreciated the inclusion of floor plans of many of the projects and only wish he had included one of Balderbrae, his one-time country home. In spite of the fact that our design sensibilities have become simpler, even his grand projects of twenty-plus years ago are still stunningly handsome and, well, timelessly elegant. This one is definitely a five-star book. 22 of 22 people found the following review helpful. EXCELLENT By Carlos Raffo An excellent book.....an added bonus are the blueprints of the houses and apartments featured in the book...it helps you understand the decisions made by the designer. I'm sure I will enjoy this book more and more as time goes by, just as it happens with

a good painting.3 of 3 people found the following review helpful. Timeless eleganceBy ann's sublime abodeTimeless Elegance is the perfect title for this book. David Easton has in this volume, a portfolio of breath taking apartments and homes. The photographs are wonderful and the book was a pleasure to read. I look at this book often and highly recommend it to anyone who enjoys traditional and classic interiors.

In this rare examination of the work of one of Americas preeminent interior designers and architects, David Easton, we are treated to a retrospective of his storied career. The versatility of his talent is displayed in examples of his work that range from a 45-room Georgian-style house in Charlottesville, Virginia, to a Mediterranean stucco house in Mexico and a modern house in Aspen, Colorado. Black-and-white pencil drawings alongside museum-quality watercolors by Eastons partner, James Steinmeyer, show the conception and development of the rooms, accompanied by stunning photographs of the finished interiors. Written with Annette Tapert, author of *The Power of Style* and former contributing editor to *Architectural Digest*, and with a foreword by famed designer Albert Hadley, *Timeless Elegance* will serve as an homage to David Easton as well as an inspiration to his many fans.

About the Author David Easton is one of the worlds most sought-after interior designers and architects, and his firm, David Easton, Inc., is one of the nations premier interior design and architecture firms. Easton was named to the Interior Design Hall of Fame in 1992 and is based in New York City.
